IMPLEMENTING MY CHOICE

# Job Interviews

# Learning Outcomes

The information in this career resource will build your knowledge and understanding of:

- How to prepare for a job interview.
- Career Portfolios.
- How to create a positive impression at a job interview.

Congratulations if you have secured a job interview! This means that your job application has shown that you meet the requirements of the job role and the employer. Your invitation to a job interview is a great achievement. On average across Australia in 2019 there were 21 applicants per job (National Skills Commission, Survey of Employers Recruitment Experiences, 2019). This was before the pandemic, so now there are likely to be more than 21 applicants per job on average. Only a small number of these are interviewed and only one lands the job.

Now that you have been offered a job interview, it is time to prepare.
